## ABOUT THE STATE.

### Items of Interest Gleaned from Our Exchanges.

A large deer was found in a brook by Hugh Sinclair at Waterville recently. The deer did not show any marks of being shot or chased by dogs.

The amount of the Easter offering at St. Paul's in Burlington was announced Monday. The pastor had asked for \$1,000, and the offering was \$1,225.

The license money this year amounts to \$17,800 in Burlington which is \$1,500 more than last year. The licenses go into effect today under the new regulation.

The Glenwood and Elm Tree houses at Milton closed their bars Saturday and the only legal sale of liquors is by E. A. Frost, whose druggists' license does not expire until May 6, and a new license will probably be granted him.

Armen Gurogan, alias Krikor Markos, and Mardik Markos, two Armenians, who walked into St. Albans from Swanton Saturday morning were arrested by Immigrant Inspector Charles S. Forbes Saturday afternoon and placed in the Franklin county jail, charged with having violated the United States immigration laws. No date for the hearing of their cases has been fixed, Inspector Forbes having turned the men over to District Attorney James L. Martin, of Brattleboro.

The Peter Brussa Granite Company of Northfield is cutting three statues for the victims of the recent Shoenm disaster monument. The upper statue is 7 feet high by 2 feet 10 inches square, representing a Faith and Hope group. The two side statues each are 3 feet 6 inches square, the one representing Grief and the other Meditation. This statue is to be dedicated June 15, the anniversary of the disaster in New York city. This firm also has several other statues under the hammer.

The appointment of D. W. C. Clapp as superintendent of streets Monday by the Burlington board of street commissioners has raised the biggest kind of a row in the Democratic party, says the Free Press, and the end is not in sight by any means. In this connection charges of bribery are flying through the air, specific acts being mentioned freely in the presence of dozens of men. So far no legal action has been taken but threats were made Monday night that such a course would be resorted to unless Mr. Clapp was relieved from office in a different way.

About 30 members of the Clifton county bar sat down to an excellent and well-served banquet in M. Dorn's cafe at Burlington Monday evening and enjoyed a purely informal affair. W. L. Burnap presided and speeches were made by different members of the gathering. Henry Ballard gave an interesting talk on reminiscences of the legal profession; Judge C. S. Palmer explained various judicial points; V. A. Bullard spoke on the jury; H. B. Shaw for the younger members of the profession; the Hon. Robert Roberts on the digest which he is writing, and Congressman D. J. Foster made a happy speech of which he always carries a bountiful supply.

An examination of the city drinking water recently made is most encouraging in its result inasmuch as it shows a complete absence of bacteria coli, i. e. sewage bacteria. This change in the character of the water is due doubtless to the fact that in the early spring the melting of snow and the consequent running into the reservoir of much surface water carries with it the contents of two barnyards which are situated within the watershed of the reservoirs. The fact that the sewage bacteria is absent in the latest sample examined is considered as proof positive that no serious results are to be anticipated from this occasional unpleasant washing of barnyards.

Mr. and Mrs. Milton S. Storrs of Burlington celebrated their golden wedding anniversary Monday at their home on Grant street with a reception to a household of friends and neighbors who called to extend congratulations upon the happy event. Mr. and Mrs. Storrs are lifelong residents of Burlington.

## SCIENCE PREVENTS BALDNESS.

### The Fatal Germ and Its Remedy Now Facts of Science.

It is the rarest thing in the world for a man to be necessarily bald. No man whose hair is not dead at the roots, need be bald if he will use Newbro's Herpicide, the new scalp antiseptic. Herpicide destroys the germ that cuts the hair off at the root; and cleans the scalp of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely bald. In less than a month Herpicide had removed the enemies of hair growth, and nature did its work by covering his head with thick hair an inch long, and in six weeks he had a normal suit of hair. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Rickert & Wells, Special Agents.

Mrs. Storrs was Miss Carrie Crandall, daughter of the late Solomon Crandall of this city. Numerous testimonials of esteem were left by the guests, among whom were Mr. and Mrs. F. S. Lyman of Hinesburgh, William Rice of Bellows Falls, C. G. Williams and family of Essex Junction, Frank and Cora Clark of Milton, three daughters of Mr. and Mrs. Storrs were also present, Miss Clara and Fanny Storrs, and Mrs. B. J. Clark of Charlotte, besides Mr. Clark and two daughters.

### Has Travelled 40 Years.

Herbert F. Brooks, of Brattleboro, who ranks as one of the deans among commercial travelers of New England, began Thursday, April 20, his 40th year of continuous service in this line of work. Mr. Brooks was for 39 years representative of Thomas Dana & Co., of Boston, and several years a member of the firm. The past 10 years he has travelled for the old reliable house of Martin L. Hall & Co., of Boston. His territory all these years has been parts of western Massachusetts, the Connecticut valley, southern New Hampshire, and southern and western Vermont. Owing to an injury which he sustained two years ago, Mr. Brooks' eyesight is greatly impaired and he is obliged to give up reading and other pleasures, but despite this he continues as cheerful as ever on his regular work.

### License in Vermont in 1849.

Edward Kelley of College street has in his possession a copy of the Vermont Chronicle of March 21, 1849, published in Brattleboro which contains the vote for that year on the liquor license question. The total vote for license in Vermont was 3,509 and the vote for no license 29,025, a majority for no license of 11,313. These figures were compiled when but three towns were missing. In Clifton county the no license vote was 2,181 and the license vote 568.

The newspaper also contains a letter on "Slavery and Emancipation" by Henry Clay.

### Saved by Dynamite.

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long you feel as if nothing but dynamite would cure it. Z. T. Gray of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her, so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep and finally cured her." Strictly scientific cure for bronchitis and la grippe. At the Red Cross Pharmacy. Prices, 50c and \$1.00. Trial bottle free.
